Call for admission to the Winter School in:

Rare diseases. Genetics, biomedicine and political challenges

Director: Isabella Saggio

Registration code Infostud: 31985

Art. 1 – Application for admission

To enroll in the Winter School, candidates must:

1 – Register on-line with the Sapienza (Infostud) at <http://www.uniroma1.it/studenti>.

Once your registration is completed, the system will provide you with a registration number and a password to access the system. You must use this registration number on your Application Form (Attachment 1).

ATTENTION: it is important to insert a valid e-mail address in the addresses, because the password recovery procedure takes place via e-mail. If the candidate has already been a student of Sapienza, he must not register, as he is already in possession of the matriculation number. If you do not remember the serial number or password you can follow the automatic recovery procedure of the Infostud system.

2 – Complete the application for admission to the Course, in plain paper, using the form attached to this announcement (**Attachment 1**).

With the application form the following documents must be enclosed:

- Photocopy of a valid identity document, duly signed and readable (Identity Card/Car License/Passport);
- Self-certification of the University degree obtained;
- Declaration of consent for the processing of personal data (**Attachment 2**).

The application form, **signed by the candidate** and accompanied by the attachments, must be received **no later than December 5, 2022** to the following email address: **isabella.saggio@uniroma1.it**

Art. 2 - Ranking of the admitted participants

The course secretariat will check the admission requirements and publish a list of participants of the Winter School course by **December 7, 2022**.

Following the publication of the ranking list, it is possible to register for the course via the Infostud system and pay the registration fee.

Art. 3 – Registration fee for the Winter School course

Participation in the course includes an amount of € **100,00**, to be paid according to the modalities of the articles 5 e 6 no later than **December 12, 2022**.

Students with a recognized disability equal to or higher than 66% or with a recognized handicap according to art. 3, paragraph 1 and 3, of the law of 5th February 1992, n. 104 are exempt from 50% of the registration fee.

The registration fee can be refunded only and exclusively if the course is not activated. In this case, the student must submit an application to the Course Director to obtain the refund.

Art. 4 – Duration and organization of training activities

The Winter School lasts five days. The lessons will start on **December 12, 2022** and they will end in **December 16, 2022**.

The training activity is equal to **30 hours** of total commitment.

The entire participation to the Winter School will give an attendance certificate and the acquisition of **5 CFUs (ECTS)**.

1. ECTS acquired in the training courses or in the Intensive Courses (Winter School) are recognizable according to the rules in degree courses of 1st level up to a maximum of 12 credits, provided it is consistent with the contents of the course itself.

In case of non-attendance, or other censurable behavior, the Director may decide not to issue the certificate of attendance of the Course. In this case the registration fees paid will not be reimbursed.

Art. 5 – Method of payment of the registration fee for the Advanced Training Course

Students admitted to the course must login to Infostud2.0 from <https://www.uniroma1.it/it/pagina-strutturale/studenti>, click on “CORSI DI FORMAZIONE”, then “TASSE – Immatricolazione”, enter the code indicated on the call for application, click on “Avanti/Accetta” and then “Genera Bollettini”.
