

**Second level Master's Degree in  
AVIATION INDUSTRY MANAGEMENT AND OPERATIONS**

---

- Interested candidates must send an application for admission in accordance with one of the methods indicated in the Call for applications, at the same time paying the admission test fee as indicated in the Call, **under penalty of exclusion**.
- The admission test fee must be paid even if no admission test is held.
- Once the Call for applications has expired, the Master's Degree course referees will start the selection and admission procedures, which will end with the publication of the list/ranking of those admitted on the Sapienza web page dedicated to the Master's Degree course <https://www.uniroma1.it/en/pagina/advanced-professional-courses-call-2022-23>.
- The referees of the master's course will inform those admitted when the teaching activities begin.
- Those admitted are required to pay the enrolment fee by the deadlines indicated below and in the manner indicated in the Single Announcement, **under penalty of exclusion**. Only after completion of the first required payment (first or single instalment of the enrolment fee) will those admitted to the master's course be duly enrolled for the academic year 2023-24 at this University.
