The residence permit for study purposes

Click on the link to open the dedicated page

https://www.uniroma1.it/en/node/468546

First request for a residence permit for study purposes

If you are a non-EU citizen residing abroad and you wish to enrol in a degree program in Italy, you must apply for an entry visa for study purposes at the Italian diplomatic representation (embassies and consulates) of the Country in which you reside; the pre-enrolment procedure to apply for a study visa is available online on the **Universitaly portal**.

Once you have obtained your entry visa for study purposes, **within 8 days from your arrival in Italy**, you must go to any Poste Italiane office, request a kit for the initial issue of a Residence permit for study purposes and start the application procedure.

The receipts of your request, released by the postal office, have to be sent to studentistranieri@uniroma1.it together with your enrolment documents.

Carefully read the dedicated page for full information.

The residence permit renewal

https://www.uniroma1.it/en/node/468546

Doing so will invalidate your residence permit and you will need to start again with the study visa procedure by going back to your Country. Instead, you must follow the official transfer procedure;**
- you, one of your parents, or your spouse is serving at a Diplomatic/Consular mission or international organization in Italy accredited by the Italian Government or the Holy See.

- You have entered Italy with a study visa released for a single course
- You have fully attended and positively passed the single course
- The single course is relevant for the degree course that you are requiring to be enrolled in.

Note: permits issued for Italian language courses or short-term exchange/mobility are not valid for degree enrolment. You must return home and apply for a new study visa for Enrolment via Universitaly.
The Hello - International Student Office has the right to verify the documents related to your residence permit issuance.

The residence permit receipts

https://www.uniroma1.it/en/node/468546
