BLENDED INTENSIVE PROGRAMMES
Blended Intensive Programmes (BIPs)

BIP ERASMUS +

- An intensive programme with blended mobility

- It combines physical mobility with virtual mobility

- Students will spend 5 days at a partner university with students from across the CIVIS Alliance

- organised and taught by academics of three or more CIVIS member universities

- at least 3 and up to 6 ECTS credits. Students will receive a certificate
Blended Intensive Programmes (BIPs)

- developed to respond to one of the 5 CIVIS Challenges:
  1. Climate, Environment, Energy
  2. Society, Culture, Heritage
  3. Health
  4. Cities, territories and mobilities
  5. Digital and Technological transformation

- interdisciplinary teaching and learning

- Students will receive a certificate of attendance and the BIP will be added to the student’s CIVIS Passport
- Home universities can recognize ECTS as curricular or extra-curricular activities

Coordinating University

BIP ERASMUS +

- Is part of the partnership
- Receives and manages the funds for organizing the programme
- Supervises and reports the performed activities according to the rules of the Erasmus+ programme (all components of the partnership are responsible for preparing, organizing, and performing the activities)
- Can host the physical part of the programme (unless the parties agree differently)
Host Universities

- BIP ERASMUS+
  - Are part of the BIP partnership of 3 universities
  - Host students and during the physical part of the programme in its premises or in another location within the country
Home Universities

• **BIP ERASMUS +**

• Universities that are part of the BIP partnership
• Universities that are not part of the partnership of the programme’s countries and third associated and non associated countries
• **The coordinating university can send students** if the venue of the programme is not in its home country
• **Has its own mobility funds (Erasmus + KA131) for sending students and staff**
Participants: Students and PhD students

CIVIS BIPs

• Students from partner universities
• Undergraduate students, graduate students and PhD students that are enrolled in the hosting university
• Students from all 3 cycles enrolled in partner universities, in the BIP partnership, and in the other CIVIS universities
• Optional: students from other universities from countries that are part of the Erasmus + programme (with a mobility contribution funded by their home university)
involved in the programme’s teaching activities:

- **Professors of the host institution** (academics of the receiving university);
- Professors from other university partners or from other countries part of the Erasmus programme and associated and non associated countries;
- **Guests from external organisations** such as companies, associations, or research institutions
Participants: minimum 15

CIVIS BIPs

• **Students of the host university:** shall not receive Erasmus funding because they shall not be taking part in a physical mobility, therefore they **shall not be calculated** in the minimum number of 15 participants.

• **Additional participants from universities of associated countries** (University of Glasgow, University of Lausanne, etc..) or funded by Erasmus + KA171 **shall not be counted** in the minimum number of 15 participants.

• There is no maximum number of participants for students, the organisers can independently evaluate a limit that guarantees the best management of the activity.
