

Call for Applications to Fellowships and Admission of Incoming Students - Academic Year 2022-2023

Winners of the fellowships are underlined and the background color is **gold** in the following PhD Schools and International PhD Programmes lists.

Candidates listed after the winner are eligible if positions become available

PLEASE NOTE: Enrollment in all Doctoral Programmes (PhDs) is subject to the possession of the degree requirements (master's degree or equivalent, earned in a Higher Education institution (HEI) abroad) for the access to PhD programmes, which will be verified by the PhD Unit of Sapienza. The degree must enable admission to third level University degree (Doctoral Programmes (PhDs)) under the laws of the Country of issuance and the Italian law.
