

Sapienza University of Rome, founded in 1303 by Pope Boniface VIII, is one of the oldest universities in the world, and a top performer in international university rankings.

Since its foundation, Sapienza has constantly played a significant role in Italian history and has been directly involved in key changes and developments in society, economics and politics.

Merging centuries of tradition with cutting-edge didactic activities, research and innovation, Sapienza provides top quality education and research opportunities.

The main campus is a real city within the city located in the heart of Rome. Sapienza University is an extraordinary place for students and teachers from around the world to meet, exchange and develop new ideas and philosophies. And it all takes place in one of the most astonishing cities in the world.
