

HULT
PRIZE

Hult Prize Foundation About Hult Prize

“One of the **top five** ideas changing the world.”

Bill Clinton

“I give a challenge to a CEO of a development company or charity, he tells me it’s impossible. My [Hult Prize] entrepreneurs don’t just tell me it’s possible, they **shorten the time frame.**”

Ahmad Ashkar, Hult Prize Foundation CEO

Who We Are

The Hult Prize is the world's largest student competition. College students from around the world compete to solve a pressing social issue faced by millions via start-up enterprise. US\$1M is awarded to the winner.

1
in the
World

Eight years later, the Hult Prize has established as the largest and most impactful student initiative in the world – and it's because of the power of the Hult Prize Network.

What We Do

The Hult Prize is the world's largest student competition and leading forces for social good. Each year we cast a huge magnifying glass on social issues and creating game-changing start-ups.

Process

Through the Hult Prize multi- stage process, breakthrough solutions are fostered, identified, launched, and scaled throughout the world.

MASSCHALLENGE

wework

Teams participate in many team-building activities and social events. They also have access to state-of-the-art facilities to build their new social enterprises.

Global Finals

Hult Prize is the official kick-off to UN GLOBAL WEEKS , so its the perfect place to pitch for a million dollars.

President Bill Clinton announces the winning team awarding them \$1,000,000 in seed capital to launch their start-ups.

Global Finals

A world-class panel of judges and supporters come together for the final pitch hosted by President Clinton

The Hult Prize winners are impacting the world every day. They are creating new industries and becoming trailblazers in their own right.
