How to enrol in network orientation via Infostud

Procedure:

Register on Infostud (log in with SPID or CIE).

On <https://www.uniroma1.it/it/pagina/infostud> go to register and register as 'diplomando' if you have not yet graduated, as 'diplomato' if you have passed the state exam. At the end of the registration you will get a matriculation number and a password.
Indicate the school of origin precisely. If the institution is not listed, enter 'Institute not found'.

The screenshot shows the Sapienza University of Rome website. At the top, there is a navigation bar with links for STUDENTI, LAUREATI, DOCENTI, PERSONALE, and CONTATTI. Below this, there is a search bar and a language selector (IT). The main content area features a large image of two students, a man and a woman, smiling. Below the image is a search bar labeled "Cerca il tuo corso". To the right of the image, there are four icons representing different services: SEGRETERIE, REGOLAMENTO, CATALOGO DEI CORSI, and CONTRIBUTI E AGEVOLAZIONI. Below these icons is the "INFOSTUD 2.0 LOGIN" section, which includes fields for "Matricola" and "Password", and buttons for "ACCEDE", "Registrali", and "Password dimenticata?". There are also buttons for "Entra con CIE" and "Entra con SPID". At the bottom, there is a yellow banner with the text "Attenzione! Dal 12 luglio si accede solo con Spid o CIE Leggi".
