Let’s roll up our sleeves
And get vaccinated
COVID-19 vaccine is key

Safety at Sapienza
in four steps

Wash your hands, and do it often
Use water and soap
or alcohol-based hand sanitiser

Stay home when you are sick
For example, fever or other respiratory symptoms,
cough, cold, sore throat, gastrointestinal symptoms,
alterations in smell or taste.

Physical distance is paramount
1 metre (around 3 feet) or more, when possible

Wear your face mask at all times
Indoors and outdoors
when you cannot keep to the 1-metre rule
