Log In

From the university home page https://www.uniroma1.it select: STUDENTI

Then, insert your Student Number (Matricola) and Password to access your personal page on INFOSTUD.
Degree Programmes

Select “CORSI DI LAUREA” to access the degree programmes
1. Select **OPINIONI STUDENTI** on the left

2. Then, click on **vai al questionario**
Select a Course

Select the course to review from the list available on your student page. Then click on "Compila ora".

The panel provides information on course modules and whether the course was already reviewed or whether a review was begun.
Compilation

Select the chosen course/module and access the questionnaire specifying how regularly you attend the course:

You can now complete the questionnaire. Once you have answered all the questions, the procedure will terminate and you can exit the system.

THANKS!
