	IV.5 Countering terrorism		IUS/21	2		
	IV.6 Towards a global Rule of Law?		SECS-P/02	1		
Internship/Internship	The Scientific Educational Council reserves to activate training placements for the most distinguished candidates, based on the availability of EPLO/ELGS and its partners, subject to the stipulation of specific agreements. The traineeship program is a non-curricular activity, and therefore does not contribute to the achievement of the 60 credits (ECTS) required to obtain the degree; it may be carried out at the end of the course within twelve months after the degree.	SSD not required		At EPLO offices (Headquarters and/or Offices and/or Branches), its agencies and/or partners, national institutions		
Other Activities	Teaching activities include seminars, tutorials and participation in meetings and conferences, among them: <ul style="list-style-type: none"><li>- a one-week training session for the preparation of the Master's thesis or final essay, in order to support participants in the drafting process;</li></ul>	SSD not required	18	Seminars, conferences		

		<ul style="list-style-type: none"> <li>- participation in the EPLO <i>Academy</i> final conference (July 2025);</li> <li>- participation in the annual meeting of the <i>European Group of Public Law</i> (September 2025);</li> <li>- participation in events organised by EPLO throughout the whole duration of the programme.</li> </ul>			
<b>Final test</b>		In order to obtain the degree, a thesis or final essay, consisting of a paper of no less than forty to fifty typewritten pages on topics relating to one of the subjects taught during the course, is to be discussed. Each candidate is free to choose the subject or topic of the thesis according to his or her interests and preferences. The supervisor of the relevant module, or another lecturer-reporter, supports the candidate in selecting the topic and title of the paper, which must be characterised by originality and practical-applicative relevance.	SSD not required	4	<i>Final paper</i>
		<b>TOTAL ECTS</b>		<b>60</b>
